

Preston White Named To Succeed Joe Hawkins As B Team Coach

An announcement was made this week through the Superintendent's office of the election of Preston White as B and C team coach in the Cameron Public Schools. White will fill the vacancy left by Joe Hawkins who recently resigned to accept a position as a member of the A team coaching staff at Liberty High School.

White formerly served as the coach at Thorndale. He served in that capacity from 1947 until 1950 during which time he coached a number of outstanding football squads. White comes to Cameron from Nacogdoches.

Coach White, who is married and has a two year old boy, Dickie, received his B.A. degree from Stephen F. Austin College at Nacogdoches. He was an outstanding player on the college football team there.

Besides taking over the B and C teams, White will also serve as a member of the Ada Henderson faculty. He will begin his duties in Cameron Monday, August 23 at which time football training for the A and B squads starts.

Early Morning Blaze Destroys Hubert Marek Home

An early morning blaze heavily damaged the home of Hubert Marek just outside the city limits. The Cameron Fire Department was summoned around 3 a.m. to extinguish the blaze. The house, completely hulled out by the fire, destroyed all of the household furnishings.

Mr. and Mrs. Marek were not at home at the time of the blaze. The origin of the fire was unknown. It was believed that Mr. and Mrs. Marek and their two children had gone on a fishing trip and had not been located at 10:30 a.m. Friday.

Their home was located between the Airport Cafe and the Cameron Modern Courts, mile and half north of the city limits on Highway 77. The loss was estimated around \$8,500.

Women Bowlers Organize For Winter League

Women bowlers met Monday evening at 8 p.m. in the Knights of Columbus bowling alley to organize winter league teams.

Dr. John Boyce conducted a short business interval in discussing the rules that will be enforced in the winter league.

Officers were elected by the 18 members present and they were as follows: Mrs. Leo Laake, president; Dr. Audrey Boyce, vice-president; Mrs. Ida Michalka, secretary; treasurer; and Mrs. John Florida, reporter.

Anyone interested in bowling during this winter league has been advised to contact one of the club officers.

Six teams have been organized to date and it is hoped that two more teams can be organized prior to the beginning of the season.

Opening date for the league will be announced in the near future.

Thomas Marak, Prominent Milam Citizen Dies; Service Monday A. M.

Thomas Marak, 97, died at La Grange Friday, August 13, 1954. He had been in declining health for the past few years.

Mr. Marak was born December 29, 1856 at Hostyn, near La Grange in Fayette County. He had lived at the La Grange Rest Home for the past four months.

His wife preceded him in death in 1904. He was the father of R. A. Marak and J. L. Marak.

Former Milano Pastor Returns For Revival August 23

Dr. Kenneth Berg, pastor of the First Baptist Church, Ottumwa, and former pastor of the First Baptist Church, Milano, will hold a revival for the Milano church, August 23 through September 3. Last summer Dr. Berg led the Milano church in building an educational building in one day, a feat that was carried on nation-wide T. V. and press releases.

Rev. W. M. Fox, pastor of the Milano church, announces that there will be two services each day, a morning-watch at 7:00 a.m. and the preaching service at 8:00 p.m. Special music will be provided for each service by the Milano choir and other ensembles. The evening services will be held informally on the church lawn as "Services under the Stars."

Calvin Foster Slugged, Robbed Of \$60 Near Gause Saturday Night

Funeral Services For Mrs. Viola Cawthron Held August 17

Funeral services for Mrs. Viola Cawthron of Rogers were held at 10 a.m. Tuesday, August 17 at the Chapel of Skinner funeral home in Rogers. Burial was made in the Rogers cemetery with Rev. J. W. Carter officiating.

Mrs. Cawthorne died in Temple Sunday at 12:45 p.m. She was born February 4, 1875 and was a native of Mississippi. She was a member of the First Christian church since childhood.

Survivors include three sons, Merle Cawthorn of Houston, Orville Cawthorn of Port Lavaca and Woodrow Cawthorn of Houston; and a daughter, Mrs. Margee Knust of Victoria.

Also surviving are six grandchildren.

Robbery and assault occurred two miles east of Gause around 8 p.m. Saturday when Calvin Foster, Hearne, was hit on the head and robbed of \$60.00.

Foster was driving an oil transport truck from Rockdale to Hearne about 8 p.m. when he saw a nice looking woman flagging him down one mile west of the Brazos River bridge. He stopped and the woman asked if he would help get her car started. The hood of the car was up. She suggested that Foster get inside of the car and try to start the vehicle. A man was lying on the back seat who said he was not feeling well.

While Foster had his back turned, the man struck him on the back of the head. They stuffed Foster's mouth with cotton rags and bound him with baling wire, took his wallet containing \$60.00 and left him on the side of the highway.

Foster was later found and taken to the Hearne Hospital. He described the man and woman and said they were driving a 1953 black Chevrolet car but failed to get the license number.

Sheriff Carl Black is investigating.

Make McDermott, Jr. Receives High Scout Honors

Over the weekend of August 6 and 7, the annual summer convention of the Order of the Arrow, a national society for Scout Honor Campers, was held at Camp Tahuaya near Belton.

The Huaco Lodge is under the direction of the Heart O' Texas Council. The theme of this society is cheerful service. It is one of the greatest honors a Scout can receive. Before a Scout can obtain this honor he must undergo an ordeal to prove his sincerity and willingness to serve.

Scout Make McDermott, Jr., received this honored membership during this week end convention at Camp Tahuaya. Scout McDermott is a member of the local Troop Number 83.

Explorers Ray Green and Johnny Solomon, both charter members of the Huaco Lodge Order of The Arrow, were present for the weekend activities.

It is expected that Milam County will be designated as a drought disaster area within a few days, according to Roy Wright, County FHA Supervisor of Milam County. Wright said that a number of farmers had already inquired about the program that the designation had already been made. When the designation is made, application blanks will be available at the local FHA Office located in the Henderson building in Cameron, within 48 hours.

Feed grains, as well as hay, is now a part of the program in designated areas.

The program is a "60-day program and will be based upon the needs of the farmer or rancher for only a 60-day period and it is for the maintenance of foundation herds only," Wright said.

Under the program, farmers

Yoemen Football Practice Begins Here Monday Morning

The sound of the whistle, the mention of "pigskin" and cooler night weather brings but one subject to the mind of eligible Yoe High School boys. It's football time once more!

Practice for the season begins promptly at 8 a.m. Monday, August 23 at which time all boys wishing to come out for the A and B squads are asked to report to the high school gym.

At that time the boys will be issued equipment and begin the

day with skull practice. Each player is asked to bring along his notebook for notes.

Coach Leo Jackson, head coach announced that nine lettermen would return to the ranks of the team. The Yoemen, who tied for first place last year in the season, but were nosed out by a coin toss, were hit hard by the May graduation.

Included in the nine lettermen is one starting lineman, Tom Collins, who is the offensive center.

Returning also are two regular backfield men, Jimmie Rettig at left halfback and Leon Beale at fullback. Rettig, who starred for the Yoemen last fall, was named the outstanding player in the District for the 1953 season.

Since the days are still very hot, Coach Jackson stated that the heavy workout would be conducted at night under the lighted field. He said that the public is invited to attend the

Beer Sale Refusal Results In Sunday Shooting at Liberty Hill

An argument over the refusal to sell a man a bottle of beer resulted in the death of Julius Salazar, Sheriff Carl Black said. The shooting occurred around 6:30 p.m. Sunday in the Liberty Hill community near Thorndale.

Brady Dykes, colored, who operates a beer joint in that community shot Salazar in the chest inside his place of business, Sheriff Black reported. Black said that an argument arose between Dykes and Salazar over Dykes' refusal to sell Salazar a bottle

of beer, and as Salazar came toward Dykes, he reached under his counter, pulled out a 45 revolver and shot Salazar.

Black reported that two shots were fired but only one shot struck Salazar; however, there was no sign of what the other bullet might have struck.

Salazar who is married and has two children lived on the James Terry Place at San Gabriel. His brother-in-law, Veto Lopes, 22 who resides on the Carlton Annex farm was with Salazar, according to the sheriff.

Marek-Burns Funeral Home directors picked up the body but later released it to the Condra Funeral Home at Taylor.

Luther McDonald, Justice of Peace, Precinct 5 made the inquest returning a verdict of murder, Black said. There was a large number of witnesses inside of the establishment at the time of the shooting.

At 11 a.m. Monday Sheriff Black said he was still trying to locate Justice E. C. Hoppe at Thorndale in order that necessary charges might be filed. The shooting occurred in that justice precinct.

Black said that Dykes claims self-defense in the shooting.

Cameron Is Doubly Blessed With Two Modern, Efficient Hospitals

by Peggy Florida

Long clean halls softly testifying the activity of starched efficient nurses; deft fingers of the surgeons giving patients welcome relief from pain; trays laden with well balanced diets - all of the nuances connected with hospitals give a sense of security to the ill.

Cameron has been favored with two such structures, both within a few blocks of each other and both friendly and efficient to a point.

The Newton Memorial Hospital, which was erected in 1942 in memory of Dr. W. R. Newton, Sr., a well-beloved Milam Countian for 40 or more years, is strategically set off the Temple highway with its trees, flower beds and inauspicious buildings aptly emitting confidence and a welcome to the sick.

St. Edwards, originally the Rishar Memorial and given to the Catholic Church in 1947, is reassuring to patients before they even enter its portals. Well kept grounds, efficient Sisters, quiet comfortable rooms; all at the disposal of any race, creed or color.

Newton Memorial is managed by Thomas Raymond, with a Board of Directors who receive no remuneration from the non-profit hospital, advising on the needs. St. Edwards is managed by seven Sisters of Charity of the Incarnate Word, with Sister Clementia directing the activities.

From 25 to 30 patients are registered at the Newton Memorial, with approximately four op-

erations performed by various physicians. All county doctors have access to the hospital.

Approximately 40 patients are daily registered at the St. Edwards and about three operations reported daily. Their staff consists of 18 doctors and the operating room is available to all county doctors.

Efficient nurses, discerning and solicitous, determining patients needs before they become needs are superintended in the Newton Memorial by Mrs. W. R. Newton, Jr. and Mrs. Frances Michna. There are 18 nurses on duty at the present time with the hospital personnel numbering 22.

It was reported by Mr. Raymond that the hospital is equipped to handle 50 patients and that the entire interior of the buildings have recently been refrigerated air conditioned in an effort to make patients more comfortable.

"We have the best facilities available to medical practice", Raymond declared, "A fully equipped operating room, a basilometabol, electro-cardiograph, two x-ray machines and a nursing staff any hospital would be proud of."

Renovation and remodeling at St. Edwards began in 1947 and is still constantly being improved. Last year air conditioning was installed, recently new operating room lights were installed; all available modern improvements have been made to insure the comfort of the patients and the needs of the doctors.

The seven Sisters, with Sister Clementia as superinten-

dent assisted by Sister Albius, are all graduate nurses. They are assisted by five secular graduate nurses and 10 practical and undergraduate nurses. Special nurses are on call.

Both operating and delivery rooms are air-conditioned and equipped with all modern medical equipment. There is an air lock for babies, an incubator and the third floor of the hospital is reserved for the new mothers, which average three daily, and the special nursery for the infants.

There is the well equipped emergency room, laboratory, electro-cardiograph, x-ray machines and other equipment necessary for diagnosing the ills of humanity.

Yes, Cameron is doubly favored in having two such institutions which combine the efficiency of modern hospitals with the hospitality and kindness for which the South is noted.

Buick's biggest hit brings you a 3-way bonus

1. You get the car that's
in step with tomorrow

From stem to stern, Buick today is styled a year ahead—with long, low glamor lines, with the very look of tomorrow, and with that broad panoramic windshield that many other cars won't have till 1955. Equally important, you get in Buick advanced V8 power, big room, luxurious comfort, the famed Million Dollar Ride—and all for prices that start just a few dollars above those of the so-called "low-price three." Is it any wonder, then, that Buick today is outselling all other cars in America except two of these "low-price three"?

2. You get the car that's a
sure high resale value

Buicks have always had a high trade-in value. But the 1954 Buick has an extra advantage in its year-ahead styling. That means your Buick will stay well up in the style parade for years to come—will stay fresh and new-looking well into the future. So you're bound to be way ahead in actual dollars when trade-in time comes.

Come see for yourself why—

3. You get a bigger allowance
from our volume business

Every month's sales figures this year have firmed this fact: Buick sales are soaring; Buick is outselling all other cars in the nation, regardless of price range, except two of the "low-price three." So with this tremendous volume, we can—and do—offer higher trade-in allowances. Come in, see and drive a new Buick—then check for yourself that our volume business really does mean a far bigger allowance for you.

Lavert McKinney Kills Poisonous Coral Snake

Lavert McKinney killed a 25 inch Coral snake (poisonous species) on the H. M. Akers farm seven miles west of Cameron Friday. The snake was one of the largest of his kind killed in this area in several months.

McKinney said he was driving along in his pickup 'tending his regular duties on the farm' when he noticed the snake crawling along side the road that lead to the cattle pasture. He immediately stopped his pickup and after pursuing the poisonous reptile for several minutes managed to kill it. He said he had seen one of the reptiles in this same area a few months ago.

McKinney said it coiled up but did not attempt to strike at him during the process of killing the reptile.

Wedding Invitation

Mr. and Mrs. Narvie L. Caperton request the honour of your presence at the wedding of their daughter, Betsy Lee to Mr. Alton Glenn Logan, son of Mr. and Mrs. J. Y. Logan, at the First Baptist Church, at half after seven o'clock, Friday, August 20, 1954, and to the reception that follows at the Cameron Country Club.

SPEAKERS— of where witnesses swore to the identity of the assailants and yet the grand jury refused to return indictments.

They told stories of how this same radical group indicted hatred among the children by aiding them in a strike protesting the firing of a coach. Stories were told of how these radical union members were actually seen making posters for the children which said, "I Am On Strike", and then passing them out so that boys and girls could picket the school. They told of how the strike was actually controlled by adults and not by the children. The speakers claimed that these adults were teaching the children to hate.

According to one speaker at the meeting, during this particular strike, boys were told they would have their heads bashed in and high school girls were

threatened with rape if they crossed the picket line.

Each one of the speakers stressed the fact that he was not "anti labor". They pointed out that Port Arthur is a one hundred percent union town and that most of the people in their community believed in the unions. Each one claimed to be fighting only a small, radical group which they said was being led by known communists.

One of the speakers pointed out that the two men sent to Port Arthur to organize the strike had refused under oath to say whether or not they were members of the communist party.

All of the group spoke in open support of Governor Allan Shivers, who they said, came to their rescue by threatening to send Texas Rangers to restore law and order.

Vote For Yarborough

Propaganda is a GOOD SMOKE SCREEN, but the FACTS are always effective:

Mr. Yarborough Stands For:

- ★ Better Education -
- ★ Insurance Reforms -
- ★ Soil and Water Conservation -
- ★ Help For The Aged -
- ★ Better Highways-Farm Market Roads
- ★ Intelligent Health Program

During Mr. Yarborough's campaign for the run-off primary, he has given the people the FACTS on various issues of our present governor's administration. An ad in this issue of this paper lists what Mr. Shivers promised and what he DID NOT GIVE.

The Good People of Milam County and Texas are hard to mislead on smoke screen propaganda. Why should the government of our state continue to be run by just a few of the BIG WHEELS?, when all the people can have a voice in it.

Texans, especially the citizens of Milam County, don't appreciate having the governors of other states telling them how to vote, or the President of the U. S. either. Mr. Eisenhower urges, You and Me to vote for Shivers since Shivers patted him on the back in the 1952 presidential election. Texas business belongs to Texans and outsiders should have enough decency to keep their noses out of our affairs.

The People of Texas are learning fast, the tactics of Mr. Shivers, and proved this by giving Yarborough such a good vote in July. If you want the government returned to the people of Texas, VOTE for YARBOROUGH on August 28.

Community Committeemen Election Scheduled For Friday, August 20

Acting in accordance with the 1955 Agriculture Stabilization and Conservation Procedure for election of county and community A. S. C. Committeemen, the election board met, August 2, 1954, and selected three men in each community to serve on a community election board.

The County Election Board is made up of the following men: J. D. Moore, Milam County Extension Agent; Wayne Mann, S. C. S. Work Unit Conservationist; Roy O. Wright, F. H. A. Supervisor; John A. Smith, Milam County Farm Bureau President.

The Community Election Board will act as a nominating committee in each community to nominate eligible farmers to serve as community ASC Committeemen in their community during the 1955 program year. The names of those persons selected by the Community Election Board will be placed on an official ballot and will be voted on by farmers in their respective communities.

The date of the community elections will be Friday, August 20, 1954.

but the producer may vote at the

Ballots will be mailed to every eligible farmer in the county, ASC Office if he chooses. All ballots should be mailed back to the county office so as to reach here not later than August 19, 1954. Tabulation of votes will be made August 20, 1954.

Every farmer is urged to vote for the persons of his choice who will represent him and his community for the 1955 program year.

MOD Drive Gets Underway Monday; Fund Appeal Urgent

During 1954, 45 chapters of Texas have received advances totaling \$250,000 and at this time there are probably an equal number of chapters which, if they are not out of funds, they possibly are almost depleted.

At this time our national foundation headquarters is out of funds. The program for 1954 required \$75,000,000 - only \$55,000,000 was raised, making us short \$20,000,000.

Now the foundation is faced with the possibility of either abbreviating our programs or raising funds to carry on. "We do not believe it would be the choice of the American people to not continue giving financial assistance to the polio patient on the basis of need, nor can we believe that they would want us to halt the vaccine development or the use of any other polio preven-

tative," Bill Elmendorf, said.

As of July, there were 1,233 polio cases reported in Texas, as compared to 829 reported by the same date of last year.

The foundation is extending patient care assistance to 67,000 across the nation who contracted polio in past years, and there are an estimated 40,000 new polio cases for the year 1954, many of whom will need national foundation help.

Jack Tumlinson, Milam County Chapter Chairman who is heading the drive, said that coin collectors will be placed in business places over the county as has been the custom in other MOD drives. People are urged to give with open hearts to this worthy cause. There is such an urgent need for funds for the polio victims since the outbreak during the past few weeks has been the greatest in history.

Saundra Skinner Lands Big Catch While on Vacation

Mr. and Mrs. Buddie Fuller and daughter, Saundra Skinner returned this week from a week's vacation and fishing trip to Corpus Christi. They were guests in the homes of Mr. and Mrs. Charlie Barrett and Mr. and Mrs. L. S. Williams.

Saundra caught a number of fish and had some pictures taken with her big catches. She was up early every morning in an effort to land that big one. Saundra enjoys fishing and hopes to return to the beach again next summer to resume her favorite sport.

Father-Son Barbecue Held By Sharp FFA Group August 4

Members of the Sharp High school FFA Chapter and their dads enjoyed a well prepared goat barbecue at the Coffield Ranch Wednesday night, August 4.

The goats were donated by R. E. Bunker and Everett Shelton.

All the work of butchering and barbecuing the meat was done by members of the local chapter, led by Marvin Nemic and Glen Bean, third year members of the chapter.

The boys, their dads, special guests and other members were well pleased with the affair. Dwight Hine is instructor and sponsor of the Chapter.

Cub Scout Pack 213 Plan Conservation Tour On Harden Farm

Cub scouts of Cameron's Pack 213 are working on their Conservation Good Turn for 1954 during the summer months.

The objective of this Conservation Good Turn is to give each cub scout a chance to learn about the nation's natural resources and how to conserve them, then carry the things that they learn to more people. To meet this objective, Cameron's Cub pack is now working with a Forest Rangers kit furnished by the United

States Forest Service.

Later a sand box display will be set up showing O. B. Harden's farm with all the needed conservation practices applied. To help get conservation information before more people the pack is selling subscriptions to Soil and Water magazine, which is put out by the Soil Conservation Districts of Texas.

Leaders working with the pack are well pleased with the work done by the boys on their Conservation Good Turn and commend each boy for his efforts, not only in learning to conserve our natural resources, but also to get others to conserve them.

Plans Underway To Organize Little League Bowlers

Organizational plans are underway to form a Little Leaguers Bowling Club. Two teams have been organized. They are the Bears and Panthers. Dr. J. E. Boyce is heading the drive.

Dr. Boyce said that six or eight teams are needed to set up a good league. Girls and boys interested in joining the league may contact Dr. Boyce by phoning 1306 or Emil Hollas at 1002.

The Panthers have won two

games and lost one while with the Bears, it is just the other way around, two losses and one win. There will be an important meeting held at the Cameron

Bowling Alley Friday night for organizational purposes. All interested persons are urged to come out.

Absentee Voting Light In Milam; Heavy Over State

Absentee voting began Monday for the Democratic run-off election, and vacationing Texans and invalids who will be unable to go to the polls August 28 have begun requesting absentee ballots from their County Clerk's office.

Leo O'Neil, clerk in charge of absentee voting at the office of Homer Nabours, county clerk, reports that six absentee ballots have been cast up to Thursday morning at 10 o'clock; however, he had received 36 application for ballots by mail.

Voters have from now until August 24 to cast absentee ballots.

According to the Secretary of State's Office, those eligible to vote absentee are those who are ill or disabled, or who expect to be out of town on election day. There is no fee for voting absentee.

Persons entitled to vote absentee may do so either by going in person to the County Clerk's office or by mailing their request to the County Clerk.

In both instances the application for a ballot must be in writing and signed by the voter. If the voter is physically unable to write, the application may be signed by someone else at the voter's request.

A written request for an absentee ballot must be accompanied by the voter's poll tax receipt or exemption certificate, or by a sworn statement witnessed by a notary public that he has lost or mislaid his receipt or certificate.

In voting by mail, the ballot must be marked in the presence of a notary public.

Absentee voters who are ill or physically disabled must accompany their application for a ballot with a statement from a physician certifying to their sickness or physical disability.

Voters who were 60 years of age prior to January 1, 1953, and who do not live in a city of 10,000 inhabitants or more are not required to have either a poll tax receipt or an exemption certificate. Such persons should state in their application for a ballot that they are exempt due to their age.

Absentee voting began Monday in most counties, immediately following the certification by the State Democratic Executive Committee of the votes cast in the July primary.

Milam Farm Bureau Officials Judge At Bell Co. Meet

John A. Smith, President of the Milam County Farm Bureau, and Miss Lenora A. Bickett, Secretary-Treasurer of the same organization were invited by the Bell County Farm Bureau President, Joseph Koonsen to serve on the judging team for the Annual Bell County Farm Bureau Contest held at the SPJST Hall east of Temple on Tuesday night August 10th at 8 p. m.

A barbecue preceded the meeting at which some 1200 Farm Bureau members and friends over Bell County attended.

C. H. DeVaney, V. President of the Texas Farm Bureau was guest speaker, Harold Moore, Area Insurance Supervisor for the Texas Farm Bureau was Master of Ceremonies.

Also attending from Milam County was Mrs. John A. Smith and son Johnny, Director, S. W. McClaren Jr. and Mrs. McClaren and son David.

Vets With Recent Discharge Exempt From Poll Tax

Austin, - Former members of the Armed Forces, the U. S. Maritime Service or the U. S. Merchant Marine who have been active duty within the last 18 months are entitled to vote in the August 28 run-off primary without the payment of the poll tax, according to a ruling by Attorney General John Ben Shepperd.

Shepperd said the waiver also applies to any person who is now on extended active duty as a member of any of the reserve components of the Armed Forces, a selective service draftee, a member of the National Guard, the U. S. Maritime Service or the U. S. Merchant Marine.

The Texas Constitution prohibits members of the "regular" military establishments from voting.

Voters covered by Shepperd's ruling are not required to accompany their application for an absentee ballot by either a poll tax receipt or an exemption certificate, though the county clerk may require the voter to make a statement setting forth his military status.

O. Pagel of Yarrington and Frank J. Jahn of Burlington.

Each member is named for a 3-year term, and one appointment expires each year. No member completing a 3-year term can succeed himself.

Every agricultural county in the country has such a committee to help the Farmers Home Administration county supervisor adapt the agency's loan policies to local conditions including farm credit needs.

During the past year, the county committee for Milam County has approved loans in the total amount of \$63,000, Wright reported.

When funds are available the Farmers Home Administration makes loans to family-type farm operators to buy, improve, or operate efficient farms, or to construct or repair farm water

facilities needed for profitable operation. Special livestock loans are made where temporary credit is needed to enable the operator to remain in operation. The agency also makes emergency loans in counties or states that have been designated by the Secretary of Agriculture as areas where emergency credit is needed. However, the agency does not make loans of any type to any applicant whose needs can be handled by other credit sources.

Before any money can be borrowed through the agency, an applicant must have the approval of the county committee. In the case of a farm ownership loan, the farm to be purchased, enlarged, or improved must also be approved by the committee, the county supervisor explained.

SCHEDULES —

The Word and the Deed—

The Strong Contrast

In his 20 years in State office, the present Governor, Allan Shivers, has said a great many things, and has done a lot less than he had said he would do. His promises of 1954 can be gauged by Texans who want to vote with care, by his performance of the past. Mr. Shivers, a very effective exponent of the trade of saying one thing and doing another, has written his own record, which can be given in many instances in his own words, and by that record he richly deserves to be judged.

ON PARTY:

"I will support the Democratic nominees. I make that pledge without reservation."—Shivers to Credentials Committee, National Democratic Convention, July 18, 1952.

"I intend to vote for the Republican candidates for President and Vice President." — Shivers at Press Conference, Oct. 2, 1952.

ON WATER:

"Eighty percent of the flood waters in Texas was wasted . . . 50 million acres . . . have lost one-fourth of their topsoil. . . We must do something about it."—Shivers radio speech May 10, 1950, quoted in Dallas Morning News.

"We must work out a program to save our soil and water."—Shivers is campaign speech, June 10, 1954. Still just talking four years later.

ON OLD AGE ASSISTANCE:

"Certainly we must continue an even better pattern in the great field of human relations — this field includes public welfare—sufficient aid to our splendid elderly men and women."—Shivers in radio speech, Texas State Network, 7 p.m. Aug. 3, 1949, shortly after he became governor.

"I'm not sure that I can support the old-age assistance amendment. I'm not sure what it means." — Shivers at press conference in October, 1951, just before old-age assistance increase was defeated at the polls.

ON TEACHER PAY:

"I'm not against the \$600 pay raise . . . but we are forced to decide what we can afford." — Signed article by Gov. Allan Shivers, Dallas Morning News, Feb. 19, 1953.

"The governor flatly refused to cooperate (in efforts to pass teacher pay legislation)," Bob Proffer, president, Texas State Teachers Assn., in letter to teachers, May 23, 1953.

ON PARTY:

"I have no intention of voting any other than the Democratic ticket."—Shivers in radio speech, July 17, 1952 (just before the primary election).

"I supported the Republican ticket, and I'm proud of it."—Shivers in speech to Pittsburgh, Pennsylvania, Executive Club Jan. 1954.

ON HONESTY:

"Gov. Allan Shivers" call for a cost-of-living salary raise for teachers drew applause today . . . —Dallas Morning News, Oct. 5, 1952; reporting speech to schoolmen in Austin.

"Shivers told reporters at a press conference he thought the question of further spending — including the teacher pay issue—should be put off . . ."—Associated Press dispatch in Fort Worth Star Telegram, April 17, 1953.

LITTLE RIVER PHILOSOPHER LEAPS AT CHANCE TO ACCEPT GOVERNMENT'S URGENT PLEA FOR MORE INVENTIONS

Editor's note: The Little River Philosopher on his Johnson grass farm on Little River is being swept off his feet by a news article, his letter this week reveals. Probably doesn't like to stay on his feet anyway.

Dear editor:

One of the best pieces of news I've ever read turned up out here yesterday in a copy of a newspaper which I had used to spread out on the ground under my tractor while I was working on it. I was tinkering with the crankcase drain when I glanced down and saw the headline on this article and since it was fairly shady where I was I just stayed stretched out under the tractor and read

it, knowing there wasn't any danger of oil dripping on me as the crankcase has been empty since week before last when I drained it to get enough oil to drive my car to town, and in case I ever need to use the tractor, I'll switch it back. Never did believe in hoarding oil.

According to this article, the government needs about 200 inventions to improve different phases of the armed services, and has sent out an emergency appeal to the American public, asking us to get busy.

That's just the kind of a job I've been looking for, and I will accept. support program so flexible it's limber-legged, and will get to work on this new assignment immediately.

I don't know what I can invent, but the hours and the

and I got confidence the government will treat me right in the way of a salary.

With the government shy on inventions for the army and long on agricultural products, I can't see any sense in farming in August, piling up more, surpluses and getting the price

Working with your brain beats working with a tractor all to pieces. Doesn't take any lubrication oil, no sharp turns at the fence row, ain't stirring up any dust, ain't adding to the surplus, and you can do it stretched out under a tree in the shade.

Up to now, I've had difficulty convincing some people I wasn't loafing when I was out here on my farm hunched over in deep thought, recognizing that unless we solve the world problems there may not be too much point to farming anyway, but with this new job of inventing, a whole lot less nagging ought to take place. If there's one thing an inventor needs, it's peace and quiet.

Yours faithfully,
J. A.

Farmers Mailed Ballots For Community Committeemen Election

Farmers are now voting by mail for A. S. C. Committeemen in each community.

There will be five men elected in each community to serve as committeemen and alternates for the 1955 Program year.

The person receiving the highest number of votes will act as chairman of the community committee and will also serve as delegate to the County Committee.

The delegate from each com-

munity will meet in Cameron, August 26th at the County ASC Office and elect a county committee and alternates to serve for the 1955 program year.

Every farmer is urged to vote for the person they want to represent them in the various farm programs next year.

She kept a diary of her telephone calls

HOW VALUABLE IS YOUR TELEPHONE SERVICE? Recently we asked a group of telephone customers to help answer that question by keeping a record of all the calls they made and received for a week. Like others in the group, Mrs. Felicia Littlejohn (above) was genuinely surprised at how much she depended on her telephone service and how it helped her through busy days. Altogether, Mrs. Littlejohn made and received 58 local calls in the seven days and she estimates that they covered a total of 345 miles... all for a few pennies a call. **SOUTHWESTERN BELL... Fords

FORD already has "tomorrow's" features

Ford brings you features today that the other low-priced cars can offer, at best, sometime in the future. Only Ford in the low-price field has the long, low styling of cars to come—free from bumps and bulges. Only Ford has modern Ball-Joint Suspension! And only Ford has a V-8 engine—the type other makers are swinging to!

FORD'S Y-block V-8—the only V-8 in its field —is the industry's most modern engine

The world's leading maker of V-8's brings you the brilliant new 130-h.p. Y-block V-8. Its deeper-block construction makes it stronger, quieter running. Its lower-friction design lengthens engine life, cuts gas waste.

FORD gives you Ball-Joint Suspension for easier riding and handling

Ball-Joint Front Suspension is the greatest chassis advance in 20 years. It does away with old-fashioned kingpins. You get superbly easy handling... a far smoother ride. And wear points are cut from 16 to 4.

FORD'S worth more when you sell it, too

Analysis of used car prices shows that Fords return a higher proportion of their original cost at trade-in time than any other car! When you consider Ford's low initial cost... Ford's low running cost... and Ford's high resale value... it's easy to see that Ford is your best buy.

And we are giving the best deals in 30 years

So many more people are buying Fords that our overhead on each car is less. We can afford to allow you more. See us today for the greatest deal on the greatest car—a "Worth More" '54 Ford.

A-2c Bartley Braden Visiting In Cameron For Thirty Days

A-2c Bartley Braden, son of Mr. and Mrs. W. E. Braden of Cameron, Texas, is home on a thirty day morale leave from Thule Air Force Base, Greenland, "the northernmost settlement in the world."

Airman Braden was flown out of Thule Air Force Base, after six months of duty at the remote, isolated, arctic station. After completion of the thirty day morale leave he will fly back to Thule AFB, for the remaining six months of duty in the arctic. He will then be reassigned to the states for a short while before separation from the U. S. Air Force.

Thule AFB, is situated on the northern coast of Greenland, 700 miles within the Arctic Circle. Thule is in the vicinity of the famous Greenland Ice Cap which is a thousand feet of solid ice below the ground and covers a large area of northern Greenland. The only road in or out of the base for 11 months of the year is by air plane only for a short period in the summer an ice breaker will come up followed by large ships to restock the empty warehouses for the long hard winter with its months of total darkness, 110 mph snow storms and temperatures exceeding 50 below zero. Perishable foods are lifted in when weather permits.

Here 5,000 lonely airmen and only 4 females (Air Force Nurses) live "at the top of the world" in specially constructed buildings built like large refrigerators in reverse, to keep the cold out and the heat in.

Since morale is a serious problem at Thule AFB the Air Force has arranged for each man to obtain a 30 day morale leave mid way through his tour and be flown home.

Airman Braden works in the Medical Supply section of the Hospital and reports that he is very happy to be home with relatives and friends.

Beef Tops USDA List For September Foods

Beef is featured on September's plentiful foods list. It gets top ranking because supplies are heavy and prices are about the lowest so far this season.

Beef, however, will not be the only major food on next month's list for at least 15 others are listed by the USDA's Agricultural Marketing Service in the southwest.

Homemakers will find plenty of medium and small eggs; milk and other dairy products; tur-

keys; hens, broilers and fryers; honey and rice; peanuts and peanut butter; fresh and processed lemons and limes; salad oils and vegetable shortening when shopping in September.

If the old adage, "Variety is the spice of life" be true, then grocery shoppers next month by taking advantage of the "best buys" should be able to give the family a pleasing and nutritious variety of good eating.

Deaf Child Needs Trunk;

Little Mary Helen Figueroa, who is deaf is in need of a trunk or foot locker. Mary Helen will soon leave for Austin where she will be located at the State School for the Deaf.

She has been deaf since she was three months old. Her mother, Mrs. Antonio Figueroa lives in Cameron. It was reported that her father had deserted the fam-

ily sometime ago. Mary Helen will be six years old on October 9. She can say only a few words but has a beaming little personality and makes friends wherever she goes.

Mary Helen thought that some one in this area might have an old trunk or foot locker they didn't need and might like for her to have it since she was going away to Austin. She needs the trunk to keep her clothes in at the state institution.

Mr. and Mrs. Martin Hearne have announced the arrival of their adopted son, David Winston. He is three weeks old and weighed eight pounds. Mr. Hearne is the assistant coach at Cuero High school. Grandparents are Mr. and Mrs. M. A. Hearne of Cameron and Mr. and Mrs. Palmer of Austin.

Senate Joint Resolution No. 4

proposing an amendment to the Constitution of the State of Texas to provide a four year term of office for elective district, county and precinct offices; staggering the terms of such offices by having certain holders of such offices be elected for terms of varying length in the November, 1954 general election; and providing for the necessary proclamation and election.

Be It Resolved By The Legislature Of The State Of Texas

Section 1. That Section 9 of Article V of the Constitution of the State of Texas be amended so as to read as follows:

"Section 9. There shall be a Clerk for the District Court of each county who shall be elected by the qualified voters for State and county officers, and who shall hold his office for four years, subject to removal by information or by indictment of a grand jury. In case of vacancy, the Judge of the District Court shall have the power to appoint a Clerk, who shall hold until the office can be filled by election."

Sec. 2. That Section 15 of Article V of the Constitution of the State of Texas be amended so as to read as follows:

"Section 15. There shall be established in each county in this State a County Court, which shall be a court of record; and there shall be elected in each county by the qualified voters, a County Judge, who shall be well informed in the law of the State; shall be a conservator of the peace, and shall hold his office for four years, and until his successor shall be elected and qualified. He shall receive as compensation for his services such fees and perquisites as may be prescribed by law."

Sec. 3. That Section 18 of Article V of the Constitution of the State of Texas be amended so as to read as follows:

"Section 18. Each organized county in the State now or hereafter existing, shall be divided from time to time, for the convenience of the people, into precincts, not less than four and not more than eight. Divisions shall be made by the Commissioners Court provided for by this Constitution. In each such precinct there shall be elected one Justice of the Peace and one Constable, each of whom shall hold his office for four years and until his successor shall be elected and qualified; provided that in any precinct in which there may be a city of 8,000 or more inhabitants, there shall be elected two Justices of the Peace. Each county shall in like manner be divided into four commissioners precincts in each of which there shall be elected by the qualified voters thereof one County Commissioner, who shall hold his office for four years and until his successor shall be elected and qualified. The County Commissioners so chosen, with the County Judge as presiding officer, shall, compose the County Commissioners Court, which shall exercise such powers and jurisdiction over all county business, as is conferred by this Constitution and the laws of the State, or as may be hereafter prescribed."

Sec. 4 That Section 20 of Article V of the Constitution of the State of Texas be amended so as to read as follows:

"Section 20. There shall be elected for each county, by the qualified voters, a County Clerk, who shall hold his office for four years, who shall be clerk of the County and Commissioners Courts and recorder of the county, whose duties, perquisites and fees of office shall be prescribed by the Legislature, and a vacancy in whose office shall be filled by the Commissioners Court, until the next general election; provided, that in counties having a population of less than 8,000 persons there may be an election of a single Clerk, who shall perform the duties of District and County Clerks."

"Section 21. A County Attorney, for counties in which there is not a resident Criminal District Attorney, shall be elected by the qualified voters of each county, who shall be commissioned by the Governor, and hold his office for the term of four years. In case of vacancy the Commissioners Court of the county shall have the power to appoint a County Attorney until the next general election. The County Attorneys shall represent the State in all cases in the District and inferior courts in their respective counties; but if any county shall

be included in a district in which there shall be a District Attorney, the respective duties of District Attorneys and County Attorneys shall in such counties be regulated by the Legislature. The Legislature may provide for the election of District Attorneys in such districts, as may be deemed necessary, and make provision for the compensation of District Attorneys and County Attorneys. District Attorneys shall hold office for a term of four years, and until their successors have qualified."

Section 6. That Section 23 of Article V of the Constitution of the State of Texas be amended so as to read as follows:

"Section 23. There shall be elected by the qualified voters of each county a Sheriff, who shall hold his office for the term of four years, whose duties and perquisites, and fees of office, shall be prescribed by the Legislature, and vacancies in whose office shall be filled by the Commissioners Court until the next general election."

"Section 7. That Section 14 of Article VIII of the Constitution of the State of Texas be amended so as to read as follows:

"Section 14. Except as provided in Section 16 of this Article, there shall be elected by the qualified voters of each county, an Assessor and Collector of Taxes who shall hold his office for four years and until his successor is elected and qualified; and such Assessor and Collector of Taxes shall perform all the duties with respect to assessing property for the purpose of taxation and of collecting taxes, as may be prescribed by the Legislature."

Section 8. That Section 16 of Article VIII of the Constitution of the State of Texas be amended so as to read as follows:

"Section 16. The Sheriff of each county, in addition to his other duties, shall be the Assessor and Collector of Taxes therefor; but, in counties having 10,000 or more inhabitants, to be determined by the last preceding census of the United States, an Assessor and Collector of Taxes shall be elected as provided in Section 14 of this Article, and shall hold office for four years and until his successor shall be elected and qualified."

Section 9. That Section 44 of Article XVI of the Constitution of the State of Texas be amended so as to read as follows:

"Section 44. The Legislature shall prescribe the duties and provide for the election by qualified voters of each county in this State, of a County Treasurer and a County Surveyor, who shall have an office at the county seat, and hold their office for four years, and until their successors are qualified; and shall have such compensation as may be provided by law."

Section 10. That Article V of the Constitution of the State of Texas be amended by adding thereto Section 30, which shall read as follows:

"Section 30. The Judges of all Courts of county-wide jurisdiction heretofore or hereafter created by the Legislature of this State, and all Criminal District Attorneys now or hereafter authorized by the laws of this State, shall be elected for a term of four years, and shall serve until their successors have qualified."

Section 11. That Article XVI of the Constitution of the State of Texas be amended by adding thereto Section 64, which shall read as follows:

"Section 64. The office of inspector of Hides and Animals, the elective district, county and precinct offices which have heretofore had terms of two years, shall hereafter have terms of four years; and the holders of such offices shall serve until their successors are qualified."

Section 12. That Article XVI of the Constitution of the State of Texas be amended by adding thereto a Section 65, which shall read as follows:

"Section 65. The following officers elected at the general election in November, 1954, and thereafter, shall serve for the full terms provided in this Constitution:

"(a) District Clerks; (b) County Clerks; (c) County Judges; (d) Judges of County Courts - at-Law, County Criminal Courts, County Probate Courts and County Domestic Relations Courts; (e) County Treasurers; (f) Criminal District Attorneys; (g) County Surveyors; (h) Inspectors of Hides and Animals; (i) County Commissioners for Precincts Two and Four; (j) Justices of the Peace."

"Notwithstanding other provisions of this Constitution, the following officers elected at the

general election in November, 1954, shall serve only for terms of two years: (a) Sheriffs; (b) Assessors and Collectors of Taxes; (c) District Attorneys; (d) County Attorneys; (e) Public Weighers; (f) County Commissioners for Precincts One and Three; (g) Constables. At subsequent elections, such officers shall be elected for the full terms provided in this Constitution."

"In any district, county or precinct where any of the aforementioned offices is of such nature that two or more persons hold such office, with the result that candidates file for 'Place No. 1', 'Place No. 2', etc., the officers elected at the general election in November, 1954, shall serve for a term of two years if the designation of their office is an even number, and for a term of four years if the designation of their office is an even number. Thereafter, all such officers shall be elected for the terms provided in this Constitution."

Section 13. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified voters of this State at a special election to be held throughout the State on the general election day of November, A. D., 1954, at which election all ballots shall have printed thereon:

"FOR the Constitutional Amendment providing a four year term of office for elective district, county and precinct offices."

"AGAINST the Constitutional Amendment providing a four year term of office for elective district, county and precinct offices."

Section 14. The Governor shall issue the necessary proclamation for said election and shall have the same published as required by the Constitution and laws of this State.

Proposing an Amendment to the Constitution of the State of Texas, amending Article III, Section 51a, providing that the Legislature shall have the power to provide assistance to and provide for the payment of same to actual bona fide citizens of Texas who are needy aged persons over the age of sixty-five (65) years, needy blind persons over the age of twenty-one (21) years, and needy children under the age of sixteen (16) years; providing for the acceptance of financial aid from the government of the United States for such assistance; providing that the payments of such assistance from State funds shall never exceed either the payments from Federal funds or a total of more than Forty-Two Million (\$42,000,000.00) Dollars per year; providing for enactment of laws to make lists of recipients of aid available for inspection; providing for the necessary election, form of ballot, proclamation, and publication, and making an appropriation to defray the necessary expenses of proclamation, publication, and holding the election.

Be It Resolved By The Legislature Of The State Of Texas
Section 1. That Section 51a of Article III of the Constitution of the State of Texas, be amended and the same is hereby amended so that the same shall hereafter read as follows:

"Section 51a. The Legislature shall have the power, by General Laws, to provide, subject to limitations and restrictions herein contained, and such other limitations, restrictions and regulations as may be by the Legislature be deemed expedient for assistance to, and for the payment of assistance to:

"(1) Needy aged persons who are actual bona fide citizens of Texas and who are over the age of sixty-five (65) years; provided that no such assistance shall be paid to any inmate of any State supported institution, while such inmate, or to any person who shall not have actually resided in Texas for at least five (5) years during the nine (9) years immediately preceding the application for such assistance and continuously for one (1) year immediately preceding such application; provided that the maximum payment per month from State funds shall not be more than Twenty (\$20.00) Dollars per month."

"(2) Needy blind persons who are actual bona fide citizens of Texas and are over the age of twenty-one (21) years; provided that no such assistance shall be paid to any inmate of any State supported institution, while such inmate, or to any person who shall not have actually resided in Texas for at least five (5) years during the nine (9) years immediately preceding the application for such assistance and continuously for one (1) year immediately preceding such application."

"(3) Needy children who are actual bona fide citizens of Texas and are under the age of sixteen (16) years; provided that no such assistance shall be paid on account of any child over one (1) year old who has not continuously resided in Texas for one (1) year immediately preceding the application for such assistance, or on account of any child under the age of one (1) year whose mother has not continuously resided in Texas for one (1) year immediately preceding such application."

"The Legislature shall have the authority to accept from the Federal Government of the United States such financial aid for the assistance of the needy aged, needy blind, and needy children

as such government may offer not inconsistent with restrictions herein set forth; provided however, that the amount of such assistance out of State funds to each person assisted shall never exceed the amount so expended out of Federal funds; and provided further, that the total amount of money to be expended out of State funds for such assistance to the needy aged, needy blind, and needy children shall never exceed the sum of Forty-two Million (\$42,000,000.00) Dollars per year."

Should the Legislature enact enabling laws and provide an additional appropriation hereto in anticipation of the adoption of this amendment, such Acts shall not be invalid by reason of their anticipatory character."

The Legislature shall enact appropriate laws to make lists of the recipients of aid hereunder available for inspection.

Sec. 2. The foregoing Constitutional amendment shall be submitted to the qualified electors of Texas at a special election to be held throughout the State of Texas on the 2nd day of November, 1954, at which election there shall be printed on such ballot the following clause:

"FOR the Amendment to the Constitution giving the Legislature the power to set up a system of payments of old age assistance to those above sixty-five (65) years of age; provided that monthly payments from State funds to any one person may be in valid amounts based on need, that the maximum payment per month per person from State funds shall not be more than Twenty (\$20.00) Dollars per month; giving the Legislature the power to set up a system of payments for the needy blind persons over twenty-one (21) years of age; giving the Legislature the power to set up a system of

payments to the needy children under sixteen (16) years of age; providing for the expenditure of funds from the Federal government; limiting the total amount which may be expended for such assistance out of State funds; and providing conditions as to residence within the State in order to become eligible to receive assistance;" and

"AGAINST the Amendment to the Constitution giving the Legislature the power to set up a system of payments of old age assistance to those above sixty-five (65) years of age; provided that monthly payments from State funds to any one person may be in valid amounts based on need, that the maximum payment per month per person from State funds shall not be more than Twenty (\$20.00) Dollars per month; giving the Legislature the power to set up a system of payments for the needy blind persons over twenty-one (21) years of age; giving the Legislature the power to set up a system of

payments for the needy blind persons over twenty-one (21) years of age; providing for the expenditure of funds from the Federal government; limiting the total amount which may be expended for such assistance out of State funds; and providing conditions as to residence within the State in order to become eligible to receive assistance."

Sec. 3. The Governor of the State of Texas is hereby directed to issue the necessary proclamation for said election and have the same published and held as required by the Constitution and the laws of the State of Texas.
